ADHD is a relatively common disorder, affecting students in both general and special education settings. The disorder can have a significant impact on multiple domains of daily life, including educational and social functioning.

This presentation will provide information on the nature, comorbid disorders, adaptive impairments, and etiologies of ADHD as it impacts children and adolescents. An overview of strategies that can be used in classroom and related service settings will be discussed.

Learner Objectives

As a result of this activity, the participant will be able to:

- define Attention Deficit Hyperactivity Disorder and explain its causes
- explain how this disorder impacts on the student/child/adult
- explain behavior strategies to address individuals with this disorder

Agenda

4:45-5:30 Overview of Criteria, Diagnosis, Causes & Research

5:30-5:45 Break (15 minutes)

5:45-8:00 Impact on Functioning & Treatment Strategies

BIOGRAPHICAL INFORMATION

Dr. Lenny Caltabiano, Psy.D., NCSP is a NYS Licensed Psychologist and Nationally Certified School Psychologist. He is currently the Director of Autism Behavioral Services at Kidz Therapy. Dr. Caltabiano specializes in the areas of Autism Spectrum Disorders and the assessment of cognitive abilities. He has presented at the national and local levels on these topics for school district administrators, teachers, psychologists, and para-educators. Dr. Caltabiano provides consultation and parent training services for children birth through 21. He has worked as a School Psychologist in a Nassau County school district helping to develop and operate an elementary and middle school program for students with autism and related disorders. Dr. Caltabiano has also worked at a specialized school and residential program for children with such needs and conditions.

Disclosure Information: Financial: Dr. Caltabiano is an employee of GEK, an affiliated company. He is receiving a speaker's fee for presenting this workshop. **Non-Financial:** There are no non-financial disclosures.
